# Abbott to cut \$5 billion from education

Coalition cuts could stop thousands attending uni

ABC News  
August 20, 2010

*“It is abundantly clear that an Abbott government would result in less funding and less opportunity.”*

Angelo Gavrielatos  
Australian Education Union  
federal president

Coalition to cut funds for poor students

The Age  
August 20, 2010

The Coalition was also under pressure over the \$1.5bn in cuts to education and training... which added to the \$3.5bn in cuts to education programs already announced.
